

Envista's Canada CE webinars have been developed for **insurance and claim professionals** and provide one hour of CE credit in the provinces below.* They are presented by **senior technical experts** in the field and deliver context to incidents, losses, and forensic investigations.

***Continuing Education is submitted for approval in the following provinces:** Alberta, British Columbia, and Manitoba.

To receive CE credit, webinars **must be attended live**. CE credit is not available for on-demand viewing.
